

A Math Curriculum That Returns to the Way We Naturally Learn

The Math Map is not new; it's reclaimed!

Directed by a Christ-centered worldview, guided by the classical tradition, and supported by community, this curriculum brings the truth, goodness, and beauty of math back to classical education.

- *30 weeks of lessons per year
- *13 years (domains) of study
- *Less than \$4 per week

- *An invitation to conversation
- *Math integrated with art, quotes, scripture, and reflections

- *Weekly booklet format with lessons, charts, solutions, and games
- *Can be tailored to unique needs of each student
- *Easy to use on the go

The Math Map

So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.
-2 Corinthians 4:18

Thoroughly Classical

Develop the Habits of Classical Mathematicians

GRAMMAR

- *Learn numeracy, operations & laws
- *Memorize core math facts

DIALECTIC

- *Define & compare
- *Identify relationships in any circumstance
- *Apply laws

RHETORIC

- *Investigate, solve, and present
- *Explain concepts, examples, & solutions
- *Mathematical fluency

Intentionally Christian

Wonder, Work, Worship, Repeat

Students & families are challenged to look for math in the world around them

We study math to know God and to make Him known

"The world will never starve for want of wonders; but only for want of wonder."
- GK Chesterton
